DISCUSSION

The City received a memorandum (Attachment 1) from the Merced County Association of Governments (MCAG), asking for local support for the 2020 Census in the form of a resolution.

As a member of the County's Complete Count Committee, which is preparing for the national 2020 Census, MCAG was approached about disseminating information to local jurisdictions about the importance of the Census and ensuring that all residents are counted. There are efforts underway to outreach to "hard to reach" populations about the Census in many creative ways. In order to demonstrate the support of local leaders in Census work, it was suggested at a Complete Count Committee meeting that all local jurisdictions take action on resolutions to help publicize the importance of residents responding to the Census next year. Staff has also reached out to Patricia

Vazquez Topete, the California Complete Count-Census 2020 Associate Regional Program Manager, who intends to attend the September 3, 2019, meeting to discuss the Census and the City of Merced's role in the local partnership moving forward. A resolution has been prepared for City Council consideration at Attachment 2.

IMPACT ON CITY RESOURCES

No appropriation of funds is needed.
