DISCUSSION

The City has received a business license application from Security Enforcement Alliance (DBA Security Enforcement Alliance), a private security firm requesting to do business within the City of Merced. Security Enforcement Alliance is a licensed security contractor based out of Napa California that provides security services in the Napa California area.

In speaking with the owner, Juan Garcia-Flores, he advised he has clients that are requesting his services in the City of Merced. This is the reason Security Enforcement Alliance is seeking a City of Merced business license.

An online check with the Department of Consumer Affairs was completed and found no complaints against Security Enforcement Alliance.

A questionnaire was sent to Security Enforcement Alliance to obtain the required information per 5.40.030 of the City of Merced Municipal Code. Refer to the attached questionnaire for specific details.

Security Enforcement Alliance currently holds a Private Patrol Operator License # 16530 issued by the Bureau of Security and Investigative Services. The current license expires March 31, 2022.
