SUBJECT: Discussion on the \$4,000 Estimated Cost of Repairing the Tile on the G Street Underpass Art Piece and Funding Resources

REPORT IN BRIEF

Discuss the \$4,000 estimated cost of repairing the tile on the G Street Underpass and potential funding sources.

RECOMMENDATION

Provide staff direction on the funding sources to repair the tile on the G Street Underpass.

DISCUSSION

The Arts and Culture Advisory Commission received a \$3,000 grant from PG&E Corporation. At the March 14, 2019 Arts and Culture Advisory Commission meeting, Commissioners discussed using the grant funds to maintain art at the G Street Underpass and the lettering at Bob Hart Square. Commissioners directed staff to bring back a cost estimate for both projects.

The Commission has \$2,148 remaining from the PG&E Grant. The cost to fix the tiles on the G Street Underpass is estimated to be \$4,000. The Commission would have to come up with other funding sources to cover the cost of the repair. The Commission could hold a fundraiser or ask the artist of the art piece for a donation to repair the tiles.
