AUTHORITY

Charter of the City of Merced, Section 200 et seq.

Services with an estimated value greater than \$34,000 are made by written contract in accordance with Merced Municipal Code, Title 3 - Revenue and Finance, Chapter 3.04

CITY COUNCIL PRIORITIES

As provided for in the 2021-22 Adopted Budget.

DISCUSSION

An extensive overhaul to the alarm system at the Wastewater Treatment Facility (WWTF) was completed several weeks ago; however, the initial inventory of the existing alarm system that was used to generate the original estimate did not include several motion detectors and miscellaneous equipment that are in the new WWTF lab building. The existing motion detectors in the lab are not compatible with the newly installed alarm system installed by Hoffman. This change order will finalize the alarm system upgrade.

This will be the fourth change order to the Hoffman contract and will add \$1,795 to the contract, bringing the total Hoffman contract to \$72,564 for alarm monitoring services and upgrades City-wide for the period of July 1, 2020 through June 30, 2022.

History and Past Actions

May 18, 2020, Council approved a two-year contract, in the amount not to exceed \$21,012 annually, with Hoffman for electronic monitoring services at City-owned facilities, with the option to extend for three additional one-year periods.

July 19, 2021, Council approved Change Order No. 1 in the amount of \$14,000 to upgrade existing alarm monitoring cellular communicators from 3G to 4G LTE.

November 15, 2021, Council approved Change Order No. 2 in the amount of \$250 to add an additional site to the 3G to 4G LTE conversion.

February 22, 2022, Council Approved Change Order No. 3 in the amount of \$14,495 to upgrade the WWTF Alarm System.
