DISCUSSION

Both the Merced Sun-Star and the Merced County Times have been adjudicated by the Merced Superior Court to be newspapers of general circulation as defined in Section 6000 of the Government Code, and therefore meet the requirements for legal advertising in Merced. The preference for legal notice advertising services in Fiscal Year 2019/2020 was awarded to the Merced County Times.

Section 419 of the Merced Municipal Code states that at least once every three (3) years, a request for proposal shall be sent out for the publication of all legal notices.

The City Clerk's Office solicited bids for advertising services from both the Merced Sun Star and the Merced County Times. Both publications expressed interest but only the Merced County Times submitted a proposal by the deadline. The rates set by the Merced County Times are as follows:

Government Code regulates the determination if a legal notice is required to be posted once or multiple times. Staff recommends awarding preference to the Merced County Times as no other proposals were received. The City of Merced has contracted with the Merced County Times in the past and has received excellent service. Legal advertising with the Merced County Times will commence in July at the beginning of the 2022/2023 Fiscal Year.

Since there is no legal requirement limiting the City to a single publication for classified and display advertising, it is recommended that the City continue to select the newspaper of its choice for classified and display advertising, such as employment opportunities, Spring Cleanup, housing plan notices, City board/commission vacancies, etc. On many occasions the City has a need to advertise in both of these publications, as well as others, to meet the needs of the City in these areas.
