SUBJECT: Council Member Ornelas' Request for Council to Approve Having the City Send a Letter to the Attorney General's Office Asking for a Patterns and Practices Study

REPORT IN BRIEF

Council Member Ornelas' request for Council to approve having the City send a letter to the Attorney General's Office asking for a Patterns and Practices Study pursuant to City Council Administrative Policies and Procedures C-1. The study will look at the following: infrastructure, systemic issues, and internal policies that impact staff and community. The length of the study depends on the preliminary assessment which will determine the focus/scope. There is no financial cost for the study.

RECOMMENDATION

Provide direction to staff on next steps.
