CITY COUNCIL PRIORITIES

As provided for in the 2022-2023 Adopted Budget and the City Council's Prohousing Policies.

DISCUSSION

In July 2022, City Council authorized an Agreement for Professional Services with Precision Civil Engineering, Inc. for the creation of an Infill Study and preparation of a Master Plan Set for Duplexes and Triplexes. The funding is provided by the State of California, Department of Housing and Community Development's Senate Bill 2 (SB2) Planning Grants Program.

The work is nearly completed on a catalog of pre-approved plans for the public to use to build duplexes and triplexes, as well as, the draft infill study. The grant funding ends on September 30,

2023. This extension adds time to allow for completion of the entire scope of work and to match up with the funding completion date.

IMPACT ON CITY RESOURCES

The funding for this agreement is provided via a Planning Grants Program (SB2) from the State of California Department of Housing and Community Development. No appropriation of funds is needed.
