CITY COUNCIL PRIORITIES

As provided for in the 2022-23 Adopted Budget.

DISCUSSION

The Stephen Leonard Park Community Center, located at 640 T Street, Merced, was severely damaged by a fire on the evening of May 17, 2022. The damage was extensive, and a claim was submitted to our property insurance broker, Alliant (APIP). Alliant submitted the claim to McLarens Property Insurance Company to contract hazardous material clean up, work with the City. Partial payments totaling \$527,538.24 has been received and accepted by City.

Under the direction of City Staff, Teter, LLP, in collaboration with North Star Engineering Group, Inc., prepared plans and specifications for the structural repairs. On November 21, 2022, City Council awarded the construction contract to Harris Builders, Inc., in the amount of \$252,550 for the structural repairs.

With all the delays in repairing the building, it was necessary to provide a temporary building for our tenants. Staff contacted Williams Scotsman Inc., regarding the availability of leasing a temporary portable building. The building will be a 60'x 24' modular building which includes four office spaces, a meeting room, and a unisex restroom.

The following is the proposed budget for the portable building and essentials for 10 months:

- Building rental \$57,176.30
- Sanitation services \$6,711.50
- Set-up delivery, installation and return \$23,348.88
- Total Lease Amount \$87,236.68
- Set-up water and power to building \$21,000

The total budget for the temporary building is approximately \$108,236.68 for 10 months. Each additional month will be billed at \$5,717.63 for the building rental and \$649.50 for sanitation services, plus utilities. If the portable building is needed after 10 months we will come back to Council for additional approvals.

IMPACT ON CITY RESOURCES

The City will need to increase revenue and appropriate funding in the amount of \$108,237 in Fund 5000-Parks and Community Services CIP in Project CP230052-Stephen Leonard Building Repairs as well as using pooled cash until reimbursement funds are received from the insurance company.
